Good morning.. 2 things, watch for a big lawsuit being filed tomorrow by me. Perhaps you might want to give it the intense coverage you gave the initial now debunked lawsuit filed by wigdor and wheeler.

Also, if you are having a brunch Saturday morning, please let me know if you have a few empty seats. I would love to attend and meet the "team". 972.897.0197

Mr. Butowski,

Chris Cuomo is hosting "CNN Tonight" at 10pm et tonight and we would love to have you on the show to address Rod Wheeler's lawsuit. Are you interested in doing an interview tonight?
